ASPEN COLLECTION

Our exclusive Aspen toss pillows are designed with elegant simplicity. Soft folds are closed with distinctive knots, giving the impression of being enveloped in a luxuriously plush wrap.

Belgian Berber and the way it is woven inspired us to explore how we could share the beauty of its construction. Three layers of this fine linen and wool blend are sewn together, then meticulously unwoven by hand to create a beautiful “pompadour” of fringe. Available in ten extraordinary colorways of Berber found in our Core Collection of fabrics.
