1 Anti-Tilt

A necessary safety feature, keeping the unit in contact with the floor at all times in the open position.

2 Double-Locking TV Headrest (optional)

Provides added comfort while lounging or watching TV by raising the upper body. To reduce field failures, the headrest also restricts the unit from being cycled while in the "up" position.

3 Body-Support Tubes and Wires

Together they enhance support in the body section to eliminate sagging. The cross tubes keep the unit square and enhance unit strength.

4 Contoured Seat Section

Offers a wider seating area by allowing seating close to the arm.

5 Seat-Support Wires

Provides support while sleeping, plus adds durability to the overall unit. Support wires also give the quality feel of stationary seating.

6 All-Square Tubular Heavy-Duty Construction

Provides a strong and visually appealing look with improved safety (eliminated pinch points) and comfort in the seated position. Heavy-duty construction designed for contract use and available in residential use.

7 Pro-Deck™

Two-ply ballistic decking material enhances durability and visual appeal.

8 Dual One-Piece Tubular Legs

Provides enhanced stability and strength, allowing the unit to be operated from the center or side position. Forest black color.

9 Engineered Low-Profile Linkage

Keeps all metal parts below the mattress line, while being the easiest to operate in the industry.

Seating Applications

Residential/Contract Use

COMFOR COOL™

Gel-Embedded Memory Foam Sleeper Mattress

The ComforCOOL™ sleeper mattress opens the door to new levels of bedding comfort

ComforCOOL™ luxurious top layer of cooling gel-embedded foam responds to a sleeper's body

The ComforCOOL™ gel-embedded memory foam sleeper mattress is a revolutionary tri-layering of proven components for cool, comfortable sleep.

- Innovative tri-layered sleeper mattress – the latest and greatest in sleep technology
- Components:
 - Bonnell innersprings for self-adjusting support
 - Memory foam layer for conforming comfort
 - Embedded gel for soothing coolness
